

# Primary & Secondary RE

From September we will be offering two pathways to study CCRS. The first will be as we have traditionally done it, meeting in person on a Thursday morning but in our new location of Saint Columba's Parish Hall in Chester. The second pathway is an adaptation of our online learning provision developed during the past eighteen months. The online content will be combined with smaller tasks to do throughout the course, these will be collated & form the basis of the seminars which will be held in person at the end of the module. For the seminars there will be a choice of location, either a Thursday evening in Birkenhead or a Saturday morning in Manchester.
