

Implications for the Diocese of Shrewsbury

- At present the Trustees' policy is that we move from the existing MATs to three geographically based MATs.
- Trustees will begin to look at what next steps may be at their forthcoming meeting and that updates will be given at the appropriate time.
- It is anticipated, dependent on the progress made at the Trustees meeting and as the White Paper becomes legislation, that there will be a face to face event(s) after half term to present the Trustees' initial response and take any feedback.

Current Developments

Possible Model Moving Forward

The Regional Director (formerly RSC) is not keen to create any new MATs but to utilise existing MATs. If we were to take this as a model then we might want to utilise the three base MATs above but create regional hubs, based on deaneries. We could, over time, decide that these regional hubs become MATs in their own right.
